

Fine Wine, Six at a Time, Trivia Rally

March marks Women in History month. Last March the Wine Trail honored those women who are busy making history through grape growing and wine making in Frederick county. Over this past year, many visitors have travelled to our wineries, experienced our hospitality, gotten to know us and enjoyed our individual wines.

As we turn our lives to more local experiences, this March the Wine Trail presents a "Fine Wine, 6 at a Time, Trivia Rally." Visit each of the six Frederick County wineries this March; learn the answer to the trivia question about one of the women members of each winery. Once your entry form is complete, drop it at any winery or mail it to the address below and if you have the correct answers, your ballot will be entered into a drawing to **win a collection of six wines, one from each winery.**

Deadline for ballot entry is March 31, 2009. The winner will be notified by April 11, 2009. You must be over 21 to enter.
